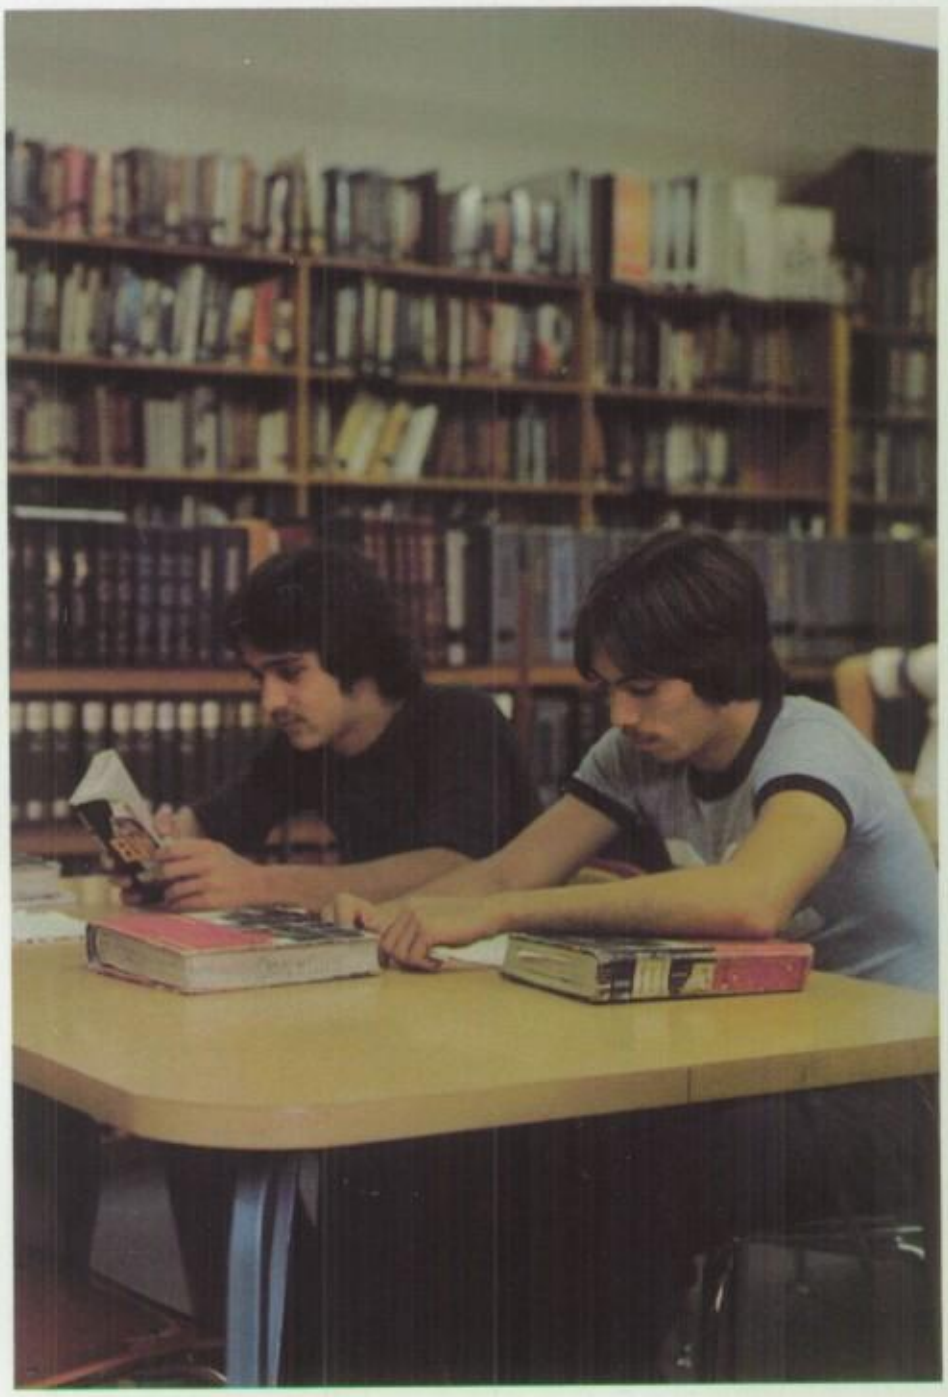
"Got that figured out yet, Heir Hamilton?"



"This must be a posed picture."

"Where do you think you're going with our ball?"

"Everybody will want one."

We shared a lot of good times and
we had a lot of fun,
We studied together and kept trouble
on the run.

"This is one way to get to the top."

We shared the same classes for we
went to the same school,
We even shared our favorites and
decided they were "cool".

"Friends are forever."

We did everything imaginable to prove
the Big Blue are here to stay
Yes, we did it all . . . We did it Our Way.

"Talk about conceit."

"You're going the wrong way, people."

"Randy always did say he was a swinger."

OUR DEDICATION

Mr. Gartrell has had numerous titles throughout his career. He has devoted his time as teacher, guidance counselor, and coach at various schools.

Mr. Gartrell said, "Each day is different in the world of education because you deal with so many different personalities." When asked of the rewards of his job, Mr. Gartrell replied, "To look back at people you've taught and see what they have done with their lives is a fascinating experience."

Because of his sincere concern and dedication to Indian Valley North, we dedicate our 1978 yearbook to him. We wish Mr. Gartrell luck and happiness in whatever he does in the future.

OUR 1977 HOMECOMING

The Homecoming Queen this year was Lisa Lentz who chose as her escort Tom DeMattio. Attending Lisa were two other members of the senior class, ZoAnn Fulp escorted by Frank Lowery, and Brenda Kelly escorted by Jeff Owens. Junior Shelly Matlick was escorted by Dan Beach; Sophomore Lisa Roth escorted by Ed Eckhardt; and Freshman Deana Kinsey escorted by Mark Kinsey.

A dance followed the Big Blue's first victory of the season. We beat Garaway 16-0. Music was provided by Raven.

We chose our path to the future
wherever it might lead,
We learned all the basics that
we later in life will need,
New decisions, crises, and problems to
be met each day,
We met and overcame them as we did it our
way.

As you look through our yearbook
maybe you'll sit back and say:
I remember, Yes I remember, We did
it All Our Way!

OUR BUSIEST STAFF

The Publications Staff was kept busy all year. Under the guidance of Mr. Ron McConnell, each member of the class achieved his major goal of making the BLUE STREAK and POLARIS financially sound while still producing first rate issues.

Long hours of planning, writing, rewriting, picturetaking, selling ads and many fund raising projects made this class one of the busiest in the school.

Mr. McConnell, Advisor - types, proofreads, organizes, writes, and shouts.

Donald R. Stieper's "It Seemed Like A Good Idea At The Time" was presented on Friday April 21 and Saturday April 22 at 8:00 p. m. The two performances were directed by Mr. Michael Hamilton. Mrs. Linda McCutcheon provided her make-up expertise and Joy Watson volunteered her artistic talents to the set design.

Peggy Rummell gave an excellent portrayal of the humorous and somewhat bossy Pamela Swillwell. Fine performances were also given by Mike Crites as Pamela's father Colonel Jason Swillwell and Roger Fouts as Lieutenant Muffley. The audiences seemed to find the characters of Inspector Webb (John Stull) and Undula Cuppley (Brenda Miller) the most amusing. These and the high quality performances of the other cast members made this year's play a great success.

During the school year the Junior I. O. E. class participated in a breakfast meeting with other members of the BOE department, and attended a dinner at Bassetti's restaurant for their Christmas party.

In January the class visited Stark Technical College to investigate the possibilities available for advanced secretarial training.

In May, the students also participated in a career day, which gave them several hours of actual office experience at a job site of their choice.

Changing part of our traditional homecoming ceremony was one Student Council activity this year. The major change was that of having three senior finalists for queen chosen by the student body. The queen and her two attendants were then announced in the pre-game ceremony.

Sticking to tradition, the Student Council once again sold flowers as a fund raising project.

Junior members of the F.T.A. had the opportunity to visit Dover High, in order to observe how a large school operates.

Senior members of the F.T.A. visited Claymont for an orientation day. They wanted to see how a larger area school operates.

The library aids assisted Mrs. Honaker in things such as shelving books, setting up visual equipment, dusting shelves, taking inventory, and charging books.

VALUABLE EXPERIENCE GAINED

The Distributive Education class, guided by Mr. Bob Wheeler, provides some students with a good opportunity to earn a salary while still attending morning classes. Students spend the morning in classroom activities, leaving the afternoon hours free to work at area businesses.

Lanny Beach loses his balance after a big gain.

This year's varsity went 4-6 against some very stiff competition. The varsity was never at full strength as several key injuries played major roles this season. High points of the year were a 14-0 victory over state-ranked Strasburg Tigers and a 31-0 pasting of the Central Catholic Saints. North lost 9 seniors this year but should have a very strong team next year, with several promising underclassmen returning.

OUR GOLF TEAM

The 1977-78 golf team had a challenging year finishing with a record of 11-10. The team had nine members and were once again coached by Mr. Richardson.

This year's varsity team went all the way to the regional finals before bowing out of tournament play. They received the runners up trophy for their fine efforts. They ended the season with a 17-4 record.

The 23 girls on the reserve team worked hard in hopes of being promoted to the varsity team next year. They really gave Coach Roudebush a variety to choose from. Their final record was 15-6.

Don't miss another lay up Jocko!

Don Wolfe is being pressured by defender.

The Big Blue Varsity suffered through a rather dismal season finishing with a 10- 10 record. With a lack of height inside, the smaller North squad tried to stay with a running game and provided the fans with plenty of excitement.

The Big Blue went to the sectional finals before being hosted by the Malvern Hornets. The underclassmen gained valuable experience this year, and Indian Valley North should have a fine squad for the upcoming season.

GIRLS HAVE A SUPER SEASON

This year the girls basketball team did fairly well with a record of 10-6. The girls started the season with new players and a new coach, Mr. Metzger.

The girls victory over Lakeland 45-32 gave them a chance to play in the sectional tournaments. However, they were stopped their first game as Strasburg defeated them 67-49.

QUALITY EDUCATION PROVIDED

Our Superintendent, Mr. Shriver, along with our school board members- Mr. Abbuhl, Mr. Day, Mr. Gray, Mr. McPeek, and Mr. Couts- are constantly striving to continue providing quality education for each student in the Indian Valley District. Through their efforts, improvements are being made in all facets of the educational system.

Mr. Gartrell

Mrs. Carol Stanley, our secretary, was kept busy this year writing out late slips, typing, answering the phone, getting out weekly schedules, plus many other duties.

Her assistants made things run smoothly during the year. Mrs. Hursey worked from September until December. Jerri Deuker, Brenda Bleininger, Jannene Gibbs, Denise Lentz, and Renee Hilliard, students at I. V. N., also did their best to help.

Miss Dru Howell was kept active throughout the year helping Mr. Caviness in the guidance office.

Operating the elementary and high school kept Mr. Gartrell as busy as usual.

This year's cafeteria staff received a new helper, Ruth Fouts, who manages the a la carte line. Once again, they managed to provide good nourishing food.

COOKS: Grace Penick, Margaret Cook, Ruth Fouts, Susan Stafford

The custodians also had a new arrival, Bruce Mackey. It takes hours of work to keep the school building and grounds clean, and the custodians have done a great job.

JESSE PAGE

A little bit of sunshine which graced every day
Is now no longer with us, but in peaceful bliss will stay.
The years of dedication showed us that you really cared,
And we'll miss that warm, glowing smile that is no longer there.
We'll miss your willingness to keep our school clean and start all over again.
In spirit, Jesse, may you always be in the hearts and minds of IVN.
